Repeat rows 5 to 12 as many times as the size of shawl you want. I wanted my shawl to be smaller to use with a heavy sweater in the fall but if you would like it full size just repeat rows 5 to 12 as many times as you would like.

Edging:

Ch 8, picot in the fourth ch from hook, then ch 4, skip 4 sts, sl st in fifth st until ch 2 space, in ch 2 sp, sl st, ch 8 picot in fourth ch from hook, ch 4, sl st in ch 2 sp, repeat * to * until end.

I hope you enjoy this pattern which I have put together. Any feedback or problems with the pattern please email me.
